Announcement

In line with the spirit of "Beef Cattle and the Land" as initiated in Eastern Iowa by the very successful beef cattle field day held in May, and the very fine All-Iowa Beef Show held in connection with the All Iowa Fair in August at Cedar Rapids, Iowa, the progressive Shorthorn breeders in Eastern Iowa are doing their part in making this very sound agricultural policy come true by consigning a very select offering of cattle to this sale which was organized with the assistance of the Iowa Shorthorn Breeders' Association.

The desire for an active district organization to hold an annual sale in Eastern Iowa was further prompted by the very successful functioning of other district Shorthorn sales in the State which are having a very healthy influence on the general promotion of the Shorthorn breed within the State.

This being an initial sale, a good many of these breeders have actually cut deep into their breeding herds to help make this an attractive offering of very desirable cattle. A good many of the breeders consigning cattle to this sale have been breeding cattle for a good many years and have earned a National reputation for their efforts. The sires and blood lines as offered in this sale we believe will compare with the best. We also believe that the quality and condition of the cattle offered will compare likewise as some of them have been exhibited very successfully this season.

We kindly ask that you pay particular attention to the get and service of some of the recent top selling and most popular present day sires featured in this sale.

Again we wish to state that the aim is to make this an annual Shorthorn event for Eastern Iowa, and to utilize the very fine spirit of assistance and cooperation offered by Cedar Rapids, and the facilities of the All Iowa Fairgrounds at Hawkeye Downs. We sincerely hope that you will make every effort to be with us on October 25, 1949, to make this initial event a success.
